

Project Seminar – How to deliver a great project?

8 October 2013, Tuesday

- **Ready and prepared for the group project?**
- **Formed a talented group already?**
- **How to write up a proposal?**
- **Wanna listen to project management and delivery tips?**
- **Confused about topic selection?**

In order to provide you with further learning support service and better understanding of the project, you are cordially invited to the following workshop. Prof. Bob Vass, Visiting Fellow at MBS Worldwide, will give you an overview of the project – from group formation through proposal to submission.

About the speaker - Bob Vass

Bob Vass is a visiting fellow and module coordinator at MBS Worldwide. He is a popular workshop director of Strategic Management and Accounting modules of distance learning MBA programmes in Manchester Business School for over 20 years. He has profound experience in teaching business executives internationally, and has supervised very many MBA projects. Prof. Vass is also a consultant with over thirty years experience of working with major UK companies, small start-up businesses and, over the past decade, he has consulted extensively in the dynamic transformation of business in Russia and Eastern Europe.
