

Thank You to Our Generous Sponsors

On behalf of The University of Manchester East Asia Centre and Manchester Business School Alumni Association (China), we wish to express our deepest gratitude to all of our sponsors for their invaluable support of this year's MBA Annual Alumni Dinner.

This evening stands as a testament to the enduring ties that bind our alumni community, and it's through the generous support of sponsors like you that such memorable reunions become possible. Your commitment to fostering growth, development, and lasting connections in the professional world is truly commendable.

The success of tonight's gathering is not just measured by the number of attendees or the delightful memories created but also by the meaningful interactions, the renewed connections, and the potential future collaborations that such events facilitate. All of this has been made achievable, in significant part, due to the unwavering support of you, our sponsors.

Thank you again

The University of Manchester East Asia Centre and Manchester Business School Alumni Association (China)
