

## Year-end Party in South Korea For Manchester Alumni and Students

Dear Ji Yeon,

Although there are only a few days (Nov 24) to go, we hope you will not mind this gentle reminder that we have not yet heard from you. This is an unmissable opportunity for effective networking . We are sincerely hoping that you will be able to attend and if so would be grateful for your earliest confirmation.

Please also help spread the words to all Manchester stakeholders. Take this great opportunity to meet all your long lost friends or new folks there!

**Only few seats left, please action now to secure your place.**
